A Memory, A Monologue, A Rant and A Prayer is a show that consists of a series of monologues, poems, and other works that address the issue of violence, particularly sexual violence, against women and girls.

This show is through the V-Day Organization and is meant to spread awareness about the persistent prevalence of gendered violence. It is a part of a growing global movement to break the silence and cultivate a continual dialogue about personal experiences of these intimate, vulnerable, and traumatic issues.

All proceeds will be donated: 90% to LEFÖ, a local organization that works with women migrants, particularly sex workers and those affected by trafficking; and 10% to the V-Day Organization's 2011 Spotlight Campaign to support the women and girls of Haiti. The suggested donation is 5 euros, and seats are first come first serve.

Directions: Take line U3 to Stubentor, exit at Wollzeile, backtrack to Stubenbastei and go right, and Club Alpha will be on your right at Stubenbastei 12/14. Ring the buzzer to get in, and we're on the 2nd floor!
