## WE SUPPORT YOU

- › *I am afraid.*
  - › *I have to work day and night.*
  - › *I have to work in prostitution.*
  - › *I have to work in housekeeping twenty four/seven.*
  - › *I have been married to a man against my will.*
- › with accommodation at a secret address where someone is present around the clock.
  - › with women who speak your language and support you in medical, social and psychological issues.
  - › with women who inform you about your legal situation in your native language.
  - › with counselling regarding residence and labour law.
  - › with German courses and other further training opportunities.
  - › in finding a job.
  - › if you want to return home.

- › *I no longer have a passport.*
- › *I did not get the money as promised.*
- › *I have to pay back a huge amount of money.*
- › *My family and I are being threatened.*
- › *I want to talk to someone.*

- › We work anonymously and confidentially.
- › We support you in getting (back) your passport or other important documents.
- › We accompany you to the police if you want to.
- › With the assistance of lawyers, we accompany you to judicial proceedings.
- › We support you in the process of recovering your self-determination.
